October 2015

Dear Friends and Neighbors,

By the time this issue gets to your driveways, I hope that Fall with its coolness and colors will have finally arrived. Not that I'm complaining, but we sure have had a lot of rain as I write this column in September for the October issue.

This month we celebrate Columbus Day on the 12th and Halloween on the 31st, which is a Saturday...Be Careful Out There!!!

I'm sure that you are enjoying some of the new features in your StoneHurst Living.

Steve Burton, our new editor, has a lot of ideas for new content that he will be including in future editions.

This month, look for a new Kids Corner article written by one of our younger members of the community. In addition, there is an article on Timberlin Creek news, minutes from the August Town Hall Meeting, Real Estate and Lawn and Garden Helpful Hints, among others.

Regards,
Jeff Adams
