

Prez Sez – November 2015

Dear Friends and Neighbors,

Here we are at the end of another year. It is amazing to me how quickly the time goes by. A lot has happened over the course of this year here in StoneHurst. I guess the biggest event has been the change in management companies from Stazac to First Coast Management Association. It was indeed unfortunate and disappointing for me personally to have us taken advantage of the way we were. Both the civil and criminal cases are going forward and we are covered financially by our insurance.

Another area of concern and frustration for many of us has been the continuing problems that we have had dealing with Lifestream. The TV, internet, and phone provider. Some of you have filed complaints with the FCC and Better Business Bureau. Kevin DelVecchio has taken the lead in trying to resolve some of our issues and is moving forward with Lifestream.. He has gotten a response from someone in the company that I hope will help us to get better service.

This past week we had a horrible incident occur when a Pit Bull attacked and killed a small dog in front of some of our children who were waiting for the school bus. This is indeed a tragedy and should have never happened. The Pit Bull has been put down. The same day Floyd Alexander's son came running in to tell him that a little kitten had jumped into the wheel well of their vehicle and he needed help to get him out. After a half hour, they managed to get him out after many scrapped knuckles, from under the hood of the vehicle. Floyd called his friend Rick Laub asking for his help in taking care of the kitten. He also put out a Facebook page asking for anyone interested to get in contact. The next day contact was made and "Rusty" has a new home along with his new brothers and sister, Benji, Buddy, and Lucy.

I saw an interesting license plate frame on the way back from Publix today. It read, "celebrate your day-compliments of God". How fitting, as we all reflect on the lives we lead and prepare to celebrate the upcoming Holiday Season regardless of what religious beliefs we hold close.

Happy Holidays

Warmest Regards,

Jeff Adams
