

March 13, 2012

Dear Friends and Neighbors,

Sometimes this column seems a little funny to write because I'm writing a month ahead of time in order for it to be available for delivery around the first of the month; in this case for the April issue. Today is the first day of daylight savings time and Spring begins on the 20th of March! When this issue "hits the streets", we will be well into Spring and the beginning of swim season up at the Amenity Center. The Board has already done their Spring tour and made a list of all the things that need to be cleaned, painted and generally picked up to make sure that we have a smooth start to the season, so get your pool passes and towels ready! We will have monitors on duty for spring break and they will begin their regular hours thereafter.

As you have noticed on the front page, the Social Committee's Derby Day event is being highlighted. Be sure to give it your attention and plan on coming out. It will certainly be a great event for the adults in the community. The kids are not forgotten. The Easter Egg Hunt is coming up quickly!! Other events that the Social Committee has planned for the year are mentioned within the newsletter. Be sure to mark your calendars. Don't miss the StoneHurst Spotlight article with another of our families featured. Wanda White covers some of the details on real estate and don't miss the DiRT Committee report highlighting their efforts to keep StoneHurst clean, plus other articles that are added by the editor as space permits.

Again, a reminder, as Spring arrives at StoneHurst, it's time for Spring cleaning and greening (ugh- the lawns) and Spring caring. While you are enjoying the outdoors, remember to be kind to your neighbors and be mindful that "joyful sounds" do travel. Regarding the safety of our community, if you see something that doesn't look or feel right, call the Sheriff's office and report it. Their number is 824-8304.

Regards,  
Jeff Adams
